

# GVAL Artist Questionnaire:

When did you first start doing art? What spurred your interest?

Why do you do art?

How many mediums have you worked in? What mediums do you work with currently?

Where do you do art? Describe your workspace.

What colors do you use in your palette? (if applicable)

How do you approach composition?

Please describe your processes.

What subject matters speak to you?

Do you actively market your art?

Where are your pieces located?

Do you enter many shows?

Are you a member of any other art organizations?

Please tell me anything else you would like to share about your art.
