Welcome! The Gilbert Visual Art League offers a venue for local artists to show their work and strives to increase artist awareness and appreciation in the community and surrounding area.

Membership comes with many benefits including educational monthly meetings, access to exclusive local venues, access to the GVAL Artvine Newsletter, and participation in an Annual Juried Art Show.

Monthly meetings are held on the first Thursday of each month from September through June at the Gilbert Historical Museum in the C.W. and Modene Neely Community Room, 10 S. Gilbert Road.

The meetings start at 6:30 pm with a member critique. You are invited to bring unfinished pieces that you would like help with. At 7:00 pm the board members pass on information concerning upcoming events followed by a presentation or demonstration by a guest presenter. Bring your finished and ready to hang art piece to be voted on by members for our monthly “Artist of the Month” competition. The monthly award winners are eligible in June for the “Artist of the Year” award and ribbon.

Several times during the year members have a chance to get to know each other even better! November brings a members show, December a fun Holiday Party, and in June an end of the season pot luck and art supply fund raiser. If you have unused art supplies gathering dust, consider donating them and enjoy a fun filled evening of eating, visiting, and adding your name to the silent auction items!

For more information, important dates, and rules for the art critique and “Artist of the Month”, please go to www.gval.org.
