

How to Enroll in Fry's Community Rewards to Support Gilbert Visual Art League Using your Fry's VIP Card

How It Works:

- **Free Donations:** Fry's gives back a portion of eligible spending to participating organizations from their community rewards pool.
- **Automatic Giving:** Once you link your account, every time you swipe your Shopper's Card or use your alternative ID at checkout, your purchases automatically earn money for your chosen group.
- **No Added Cost:** The program does not affect fuel points, coupons, or prices.
